August 2013

From The President's Desk By Lana Olson

Fall is fast approaching and our Buddy Rally at Neligh, Nebraska, on September 12-15 will soon be here. I know that John and Betty Ann, Bert and Donajean, and

Roscoe and Leona have some wonderful events planned. There will also be a room in which to play joker so plan now on attending and inviting a buddy.

On September 27-28, some of our members (Kallmers, Olsons, and Sherwins) will be going to an auction of a car collection at Pierce, NE. To learn more about the car collection, just Google: *lambrecht chevrolet collection*. We plan on leaving for Pierce on September 26. If you are interested in joining us, just let Dwight or me know.

Bobbie and Ron Vanneman and Glenda and Ron Savicky have been working on the installation rally at Ord, NE, to be held on October 3-6. They have discovered that Ord has more to see than originally thought, so mark your calendar for that rally. There is also a room for playing joker. The Ord fairgrounds could be more level for parking so according to

Ron, be sure to bring leveling blocks and an extra electrical cord. Dwight and I can also dry camp if that works best. John Sutton has been working with Fred Steurer to install the officers via Skype.

Bill Kallmer has been working on the rally schedule for 2014 and the nominating committee has been working on the slate of officers for 2013-2014, which is enclosed.

I hope you have all been enjoying your summer. Dwight and I travelled to Bismarck and Minot, ND and Hart Ranch at Rapid City, SD after the Huron Rally. One memorable moment we witnessed on our way to Sylvan Lake was on the very narrow, two lane road with very tight switchbacks and signs that warned of a tunnel ahead that would accommodate vehicles no wider than 10 ft. 4 inches and no taller than 10 ft. 7 inches. There were many cars on the road and we had to wait in line when we reached the tunnel. There was no traffic coming through the tunnel going the opposite direction and we wondered why. As we went through the tunnel, we discovered two very large fifth wheels parked at the entrance to the tunnel holding up traffic. They were obviously much too tall to fit through the tunnel and there was no way to turn around with a drop off on one side and a mountain on the other side. This was definitely a "we should have obeyed the signs"

moment. We have since been wondering if they managed to back down the narrow road to the Sylvan Lodge parking lot that was about a mile away or found another way to solve the dilemma. This seems to be a good example of when not to follow your GPS. Since then we have learned that Good Sam offers a GPS designed for large RVs so as to keep them from such predicaments.

I look forward to seeing you at the August 12 luncheon and hearing about your summer travels or events.

<i>Trustee (1 yr)</i>	<i>Mary Wherrett</i>

Nebraska Rallies for 2014 By Bill Kallmer

At the next luncheon on August 12, I would like to revisit the rescheduling of the rally dates that occurred at our spring rally meeting. In that general meeting, we voted to have our Nebraska rallies to occur in the months of May, June and September. In my mind, that may

present a problem with some of us. On a 2014 calendar, I filled out the Airstream activities, both Nebraska and International, and it appeared that the entire month in June, or at least over 35 days, we will be involved in Airstream activities and away from home. An aside to all this, I heard a comment after our luncheon in July, and that comment is, "Looks like we'll only be able to attend one rally next year."

Dwight Olson is planning a caravan to the Sugar Creek, Ohio rally, which would depart directly from our September unit rally. The combination of these two events may affect an October unit rally.

Nothing is finalized on rally sites at this printing, but here's what I'm looking at:

Spring Rally at Fairgrounds in West Point, NE;
September Rally at Chautauqua City Park in Beatrice, NE; Fall Rally at George Clayton Park in Grand Island, NE.

Installation Rally – Ord, NE October 3 – 6

Bobbie Vanneman reports that plans are progressing nicely for the rally at the Valley County Fairgrounds. The committee has planned tours for Zangger Popcorn Company, Rocking Rooster Winery and Fort Hartsuff. The itinerary and coupon for this rally will be sent to members at the beginning of September.
